PRODUCT DESCRIPTION

L-VHP15A/EN is a high-performance 15W voice alarm horn loudspeaker. It provides a broad frequency response range, low distortion and high sound pressure level for accurate and intelligible broadcast of evacuation messages and high quality sound reproduction. It can be used in outdoor, dry or wet applications, providing reliable oper-

ations over wide temperature and humidity ranges. Its low-profile, light grey color design blends easily with most interiors into locations such as train station, harbors, factories, campuses and stadiums.

This horn loudspeaker complies with BS58 59 part 8 and EN54 part 24.
